East Asia Education Week 2026

Welcome to East Asia Education Week 2026.

To ensure your stay is comfortable and convenient, we have prepared the following accommodation information located near the event venue. Participants are encouraged to make reservation early, as February 2026 is typically a busy period in Indonesia, as it is approaching Chinese New Year and Holy month of Ramadhan.

The hotels listed below are both within a short distance from the venue and offer modern facilities suitable for international visitors.

Participants are responsible for arranging their own logistics (e.g. flights, airport transfer and accommodation) unless otherwise specified.
