RESEARCHER CRITERIAS

INNOVATIVE-
PRODUCTIVE
RESEARCH

Minimum of 3
researchers

integrity and commitment to
accomplish the research.

Having minimum one PhD who
has relevance research
background on the proposed field

Having solid research
roadmap and plan

Supervised under relevance
government or private research
institution

The proposed research has been
approved by any institution
involved

Not in the middle of
pursuing any advanced
study or involved in other
academic activities

INNOVATIVE-
PRODUCTIVE
RESEARCH

RESEARCH APPLICATION

Apply via www.lpd.kemenkeu.go.id

Research submission is opened for entire year with following schedule:

- BATCH 1 : June 30th (existing year) - January 31st of the following year
- BATCH 2 : February 1 – June 30th (existing year)
