

What is IELTS Indonesia Prize?

The IELTS Indonesia Prize was developed and managed by British Council Indonesia Foundation and UniSadhuGuna Testing Centre (UTC). We developed this prize to help more people access international education experience and networks. This is for people planning to attend an undergraduate or postgraduate programme in or outside Indonesia. There are two levels of award. 5 successful applicants in Indonesia will each receive a prize to the value of Rp 25,000,000. The top student in Indonesia will represent Indonesia to compete for one of the British Council's 5 grand prizes in East Asia*. 5 winners with the top scores from the whole of the East Asia region will each receive a prize to the value of £12,000. Prize payments will be made to the attending higher educational institution in order to assist students with their tuition fees.

*East Asia region includes Hong Kong & Macau, Indonesia, Japan, Korea, Malaysia, Myanmar, Philippines, Singapore, Taiwan, Thailand and Vietnam.

I have a disability. Can I still apply?

Yes, of course. We will short-list all applicants with a disability provided they meet the essential eligibility criteria. In line with the UK Disability Discrimination Act 1995, we define a person as having a disability if he or she has a physical or mental impairment which has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

What is the selection process?

Shortlisting will be carried out by a panel of British Council Indonesia Foundation and UTC staff. The panel will use the personal statement on the application form for shortlisting purposes so applicants should carefully check the task completion criteria on the application form. All applicants with a disability will be automatically shortlisted provided that they meet essential eligibility criteria. The final winners will be

chosen by a panel of senior managers and external raters from the British Council Indonesia Foundation and UTC. The panel will decide on the local prize winners based on a presentation and interview.

The top student in Indonesia will represent Indonesia to compete for one of the British Council's 5 grand prizes in East Asia. A regional panel in East Asia will name the 5 grand prize winners based on their previous video-taped interview performance. Students will only be awarded one prize. Grand prize winners will not get the local prize.

How will the prize be awarded and when?

The prize will be paid directly to the university you attend after the British Council Indonesia Foundation has officially confirmed your status with that university.

What expenses will the prize cover?

The prize can only be used to cover tuition fees.

At which universities can the prize be used?

Students may use the prize at any university in or outside Indonesia that recognises IELTS for the purposes of undergraduate or postgraduate admission requirements. You can search for the worldwide list of recognising universities at www.takeielts.org. However, global IELTS recognition is growing all the time and if the university you plan to attend is not listed, we strongly recommend you to contact the university directly for confirmation of their latest requirements.

Can I send an application if I have registered for an IELTS test and have not yet taken it or if I am currently waiting for my IELTS test results?
